Passenger Car 1973

## Body Service Manual

### FOREWORD

This Dodge Body Service Manual has been prepared with the latest service information available for use on 1973 models. Diagnosis, disassembly, repair, assembly and installation procedures coupled with complete specifications and tightening references can be found in each unit. This publication is one of the most important "tools" available to the service technician. It will prove an invaluable aid in properly performing any phase of service necessary to maintain or restore the fine performance and reliability characteristics designed, engineered, and manufactured into these outstanding automobiles. For additional information not covered in the Body Service Manual, refer to the Chassis Service Manual.
